

NW110 Multi Ladder

Norwell Mult Ladder can be used to train a variety of muscles in the upper body, such as arms, chest and abdominals.

Multi Ladder is a versatile training station, allowing different exercises for multiple training levels.

HOW TO USE:

Dips: Start by holding the handles with extend arms, and your knees bent, to avoid touching the ground. Dip as far down as you can, by bending your arms and then press back up again until your arm are extended.

Pull ups: Go underneath the Multi Ladder, grab the handles and stretch your body, heels resting on the ground, face facing upwards. Start with straightend arms, tighten your upperbody as your bend your arms and pull yourself towards the handles.

The Norwell App and the ID-bands, including training instructions and QR codes, on each fitness station inspire to exercise and give full instruction of use.

POSITION AND TRAINING ZONE:

Trainingzone = 16,1m² / 173,3 ft²

DESIGN FOR ALL

All Norwell fitness stations utilize the users own body weight as resistance, therefore the exercises can be performed without risk of injuries. As a result, Norwell fitness stations are challenging and effective regardless of fitness level.

SAFE DESIGN

The Norwell Outdoor Fitness stations are tested and approved by TÜV Product Service GmbH according to DIN79000, EN16630 and AfPS GS 2014:01 PA.
